

Pre-Professional Training Program Uniform Policy

At Arizona Repertory Ballet, we believe that dancers should have the opportunity to develop a love for ballet in a comfortable and encouraging space with trained and compassionate instructors. We believe in a balance between the traditional structure of ballet and the idea that children perform their best when they feel their best. Misc Dress Code

Students are to wear their hair and bangs neatly away from their face and secured in a classical ballet bun. Ponytails are only allowed in Contemporary/Jazz class. If you need assistance in learning how to make the proper bun, please notify school staff. Leotards and tights are to be clean with no holes, etc. Students that come to class in dirty leotards, tights or unkempt hair will have their parents notified.

Male students must secure their hair appropriately and comparable to the standards upheld for ladies and commensurate with male dancers internationally.

Students are not to wear jewelry (other than stud earrings).

Students are required to wear some form of cover up over the dance clothes when entering and leaving Arizona Repertory Ballet. Students are also not to wear their ballet slippers outside of Arizona Repertory Ballet on asphalt, grass, or dirt, as this ruins their shoes and can get dirty or scratch the studio floors.
